Weight per Packaging : 4.08 Kg
Packaging / Euro Pallet : 26
Packaging / Block Pallet : 36

Description

A highly-visible, wall-mountable bag containing an assortment of absorbents needed to respond to spill of aggressive chemicals.

Application

The 38 liter PIG® HAZ-MAT Spill Response Bag is intended for contingency planning and quick response to aggressive liquid spills. Spill kits should be strategically located at different locations in the plant where spills are likely to happen.

Features / Benefits

- ☐ Mobile wall kit / Fast spill response
- ☐ Variety of absorbents / Assortment of absorbent products to handle small aggressive spills up to 34.7 liter
- ☐ Safety yellow bag with handles / High visibility for a fast and easy spill response
- ☐ Water-resistant, lightweight, durable bag / Tough vinyl bag keeps absorbents dry

NOTE: independent testing indicates that PIG® HAZ-MAT products are compatible with and absorbs most acids and bases. Due to variables and conditions beyond our control, New Pig cannot guarantee that this product will absorb to your satisfaction. To insure effectiveness and your safety, we recommend that you conduct compatibility and absorption testing of your chemicals with New Pig® HAZ-MAT products prior to purchase.

This report is offered as a guide and was developed from information, which, to the best of New Pig Corporation's knowledge, was reliable and accurate.
