	Socks : Polypropylene and hydrophobic cellulose	
Weight per Packaging	: 4.35 Kg	
Packaging / Euro Pallet	: 26	
Packaging / Block Pallet	: 36	

Description

A highly-visible, wall-mountable bag containing an assortment of absorbents needed to respond to spill of oil and petroleum-based spills, but repel water.

Application

The 42 liter PIG® MRO Spill Response Bag is intended for contingency planning and quick response to oil and petroleum-based spills, but repel water. liquid spills. Spill kits should be strategically located at different locations in the plant where spills are likely to happen.

Features / Benefits

- ☐ Mobile wall kit / Fast spill response
- ☐ Variety of absorbents / Assortment of absorbent products to handle small oil and petroleum-based spills, but repel water up to 38.5 liter
- ☐ Safety yellow bag with handles / High visibility for a fast and easy spill response
- ☐ Water-resistant, lightweight, durable bag / Tough vinyl bag keeps absorbents dry
